To All Olympus Competitors:

Re: Ridge Stage Tire Requirements

Olympus Rally Supplemental Rule 7.2: "Tarmac tires are not permitted on The Ridge Special stage."

Add to 7.2: A (single) example of any tire to be used on the Ridge Stage must be presented with the car to scrutineering and approved in writing by Gene McCullough or myself. Only true "forest" gravel tires for 15" or smaller wheels will be approved. "Hard Surface Gravel" type tires, such as and similar to the Pirelli XR will not be allowed.

A handwritten signature in black ink that reads "M. Hurst".
