

19 September, 2017
2017 LSPR Competitor Bulletin 1

In order to improve the spectator and competitor experience, LSPR has worked with our sponsors to extend the early entry fee deadline to September 30th. The regular entry fee will be in effect for those entries paid from October 1 - October 15.

Due to a number of requests from competitors, a test session will be available on Wednesday October 18th. This session will run from 11:00 am to approx. 3:00 pm on that day. The test session will be limited to the first 12 teams that have signed up and paid.

The test road is located within an hour's drive of Houghton and is representative of several stages used in the 2017 event. The exact location and operational details will be provided in early October to the participating teams.

Teams must have paid their entry for LSPR in full in order to reserve a test session spot. Reservations begin at 8:00 am on Thursday, September 21.

Please email the event Co-chairs Joanne Polzien at jpolzien@mtu.edu and Dean Rushford at Drush37129@aol.com to reserve a spot for this test session.

We will provide test session payment instructions in a confirmation email. The test session fee is \$200 per car.
