

18 October, 2018
2018 LSPR Competitor Bulletin 2

During inspections on Wednesday all stages were found to be in very good shape.

The following items are additions to your route book instructions:

Page	Line	Overall	Interval	Diagram	Instruction	Dec. Mi.
21	31.5	3.21	0.20		Big puddle	3.50
38	131.5	3.60	1.14		Big puddle	3.31
65 81	284.5 386.5	2.01	--		Narrows on Left	--
66 82	290.5 392.5	6.16	--		Big puddle	--

Remember to adjust the interval mileage for the subsequent instructions.

Also note that the stage number references for the ATCs in instruction numbers 75, 94, 180, 199 and 346 are incorrect. All the other information is correct and the numbering errors are of no consequence.
