#### 1. Individual Awards

##### 1. Rookie of the Year

Rookie of the Year is awarded to the driver who, in his first season competing as a driver in the National Championship Series, finishes highest overall, regardless of class. Starting in 2009, the Rookie of the Year award is referred to as the Jeff Moyle Cup.

The award is in memory of Jeff Moyle who qualified for the X Games in his first season of competition. Jeff had been a champion snowmobile racer before converting to rally in 2008. Jeff died in a parasailing accident near his home in Houghton, MI late in the season while leading in a tight race for Rookie of the Year against Dave Mirra.

John Woolf and Grant Whitaker began rallying together in NZ in 1975. Their first U.S. event was in April 1980, their first PRO Rally win was at STPR and they finished the season third behind John Buffum and Rod Millen. They were not only great competitors, but great friends within the American rally community. Their successes continued in 1981 in a RX-7 and in 1982 in a Peugeot 507. They died in a tragic accident in 1982, both only 26 with many years of success before them.
